

**Reproduction GM Muscle Car  
Wiring Harnesses, Battery Cables & Switches**

**Buy with Confidence!**

**Made in the U.S.A.**

All of our GM Muscle Car harnesses are hand assembled in the U.S.A. !

**Guaranteed Fit**

All of our harnesses are guaranteed to fit exactly as original.

**Technical Support**

We don't expect you to be a "wiring-wizard", free technical support is available Monday-Friday from 7:00am to 3:00pm PST.

**Correct Color Wires**

Our harnesses always match the original factory color codes and gauge sizes. We use U.S.A. made GXL cross-linked type wire which is much more resistant to heat than the original PVC type GPT wire that was used from the factory.

**Dip Soldered (when applicable)**

All terminals are dip soldered (when applicable) to limit resistance loss.

**Correct Connectors & Terminals**

With over 300,000 different connectors and terminals in stock you can be sure the harness you receive will look identical to the original.

**Correct Non-Adhesive & Cloth Tape**

All harnesses are wrapped with the correct width and style of tape to assure a 100% factory appearance.
